

DIRECT SELLING CONSULTANT EVENTS

Whether it's an annual celebration, executive address, or product launch, motivate your independent and entrepreneurial sales force in an unforgettable way. The Fathom cinema experience offers a highly scalable communications platform to bring your story to life.

IMPACTFUL DIRECT SELLING EVENTS

If you're looking for a new and immersive way to engage your consultants, distributors, and independent business owners, Fathom Events can connect your far-reaching associates in their local movie theaters across the country. The Fathom network can be deployed for:

- Companywide Town Halls
- Leadership Motivation
- Annual Meetings
- Award Celebrations
- Consultant Training
- Product Launches
- Private Movie Screenings
- Recruiting Events

WHY THEATERS?

Cinemas are not just for movies anymore. With Fathom, you can engage your stakeholders through the power of the big screen and theater-quality sound. Our immersive and engaging platform takes full advantage of the attributes of hosting an event in movie theater auditoriums:

- Giant HD movie screens and surround sound
- Extensive network of "connected" movie theaters across the U.S.
- Simultaneous and consistent message delivery across all time zones
- Centralized booking with one contract
- Access to theater concessions

ENGAGE YOUR AUDIENCE

Live Satellite Broadcasts

Fathom's proprietary network allows delivery of your event by live satellite broadcast simultaneously and consistently to as many as 1,200 theaters nationwide.

Pre-Recorded Content Distribution

Pre-produced content can be securely delivered for simultaneous playback or staggered across time zones to as many as 2,000 theaters nationwide.

About Fathom Private Events

Fathom has reinvented "invitation only" events by offering a high-impact way for corporations, entertainment companies, programming networks, and brands to engage, inform, and motivate privately invited audiences through the unmatched sight and sound that only the cinema can deliver. Fathom offers a highly scalable communications platform that connects organizations with their targeted audiences in movie theaters throughout the U.S.
